Subject:-Representation about grievances of the Fair Price Shopkeepers of Delhi.

Respected Sir,

We are indeed grateful for the time you had given to our delegation from Delhi Sarkari Ration Dealers Sangh [DSRDS] on 30th May, 2015 and had heard our various grievances especially about the need & urgency in revision of margin money payable to the FPSs of entire Delhi as the present rate of Re0.70 per kg of SFAs which is so low that none of the FPSs are economically viable. Your good self had assured that you will get it looked into this but sought some time. It is now more than three months time elapsed but

विशेष: श्री. अशोक कुमार, सचिव, 9871420213

Handwritten note: Anny 9/9/15

we kept waiting for your kind indulgence in the matter which appears to have slipped your kind notice due to reasons best known to you.

Above and some other issues & grievances which affect the operations of public distribution system, our financial position, we are highlighting here below because of their significance for your appraisal and decisions on urgent basis please.

1. DISMAL ECONOMIC VIABILITY w.r.t. MONTHLY ALLOCATION TABLE AND EXPENDITURE STATEMENT OF FPSs OF DELHI

We once again only wish to apprise you the margin money [commission] paid to the FPSs is extremely low making every FPS suffer financially every month.

Sir, you would recall we had submitted & handed over to you total scenario of Delhi's rationing through a summary statement liked & appreciated by your good self. A copy of this presenting the position of the month of August, 2015 is enclosed herewith as an **ANNEXURE-NO I** just to recollect your memories. This is prepared on the basis of official data of the department of F&S available on its website.

You would kindly appreciate to observe that out of a total of 2284 FPSs in entire Delhi none of them is economically viable. That there are only 33 number of FPSs whose total gross monthly earnings touches Rs30,000/- at the present rate of margin money paid to them @ Re0.70 paise per/kg of the monthly allocated quantities they distribute. These FPSs are also not at all economically viable. We are saying so as the monthly expenditure they are to incur is approximately Rs33,000/-p.m. Resultantly every month their capital

base has been eroding and of late most of them at the verge of collapsation. Many of the marginal cases have already started tendering resignations out of frustration and many more to follow suit to resign by surrendering their authorization/licenses. Sir, the details of the monthly expenditure borne/to be borne by each of the FPSs is detailed in **ANNEXURE-NO II** for your ready reference & perusal.

That by virtue of adverse economic conditions faced by us we were compelled to move the Hon'ble High Court of Delhi at New Delhi and the next date of hearing is fixed on 21st September,2015 wherein the prime prayer has been for a mechanism to be evolved for fixation/revision of margin money in such a way that each FPS earns at least Rs54,000/- p.m.so that his net monthly earning works out to around Rs20,000/- to 21,000/-approx i.e, equal to a salary of class four employee of the government.

Sir, you would recall we drew your attention about an affidavit filed by you in July,2007 before the Wadhwa Commission constituted by the Hon'ble Supreme Court of India that unless each FPS in Delhi earns about Rs15,000/- diversions & leakages of subsidized food grains are bound to happen. That after a gap of eight years if we are requesting for a net monthly earning of Rs20—22,000/- we are sure you would certainly agree & appreciate it to be a fair demand. Sir, this may be feasible in case the present margin money rate is enhanced to Rs2.80 per kg and not otherwise. This was even appreciated by your good self on 30th May,2015 as well as Shri Asim Mohamad Khan, Minister of Food, GONCT of Delhi when we had explained our predicament on 2nd March, 2015 in his chamber in a

meeting. In yet another officially scheduled meeting in the chamber of Minister Food on 8th April,2015 where all the senior officers of the department of F & S/DSCSC Ltd were present.

Sir, why the noble scheme of public distribution system of the GOI of which we are an integral part, is left high & dry and neglected forcing some /a few FPSs to indulge into malpractices to somehow compensate for their expenses in running the shops by diversion of stocks in league with official machinery of the Department of F & S? We don't support any kind of such acts on the part of FPSs, but wish for honest & fair earnings for our /family's survival.

2. MARGIN MONEY DUES DENIED FROM 1ST SEPTEMBER,2013 WHEN N.F.S.ACT,2013 IMPLIMENTED IN DELHI WITHOUT ANY JUSTIFICATION

Sir, in Delhi the N.F.S.Act,2013 was implemented w.e.f.1st of September,2013 and our services were taken on an oral assurance, on 8th August,2013 in the SAI AUDITORIUM,LODI ROAD,NEW DELHI where training program for all the FPSs of Delhi was organized by the department of F & S, to cooperate in the implementation of the N.F.S.Act,2013 & the department would soon enhance the margin money to a reasonable level but surprisingly the department raised from Re0.35 paise per kg fixed in July,1997 or seventeen years ago to Re0.70 per kg w.e.f 1st September,2014, therefore, deliberately depriving us of even the legitimate dues for the one year services taken w.e.f.1st September,2013. We are totally disgusted and unable to digest as to whose brain child is this unfair and unreasonable way & manner of dealings at the hands of the government?

3. RATIONALISATION OF TAGGING OF RATION CARDS AND QUANTITY OF ALLOCATED STOCKS FOR FPSs MUST.

Sir, the disparities amongst the FPSs in respect of monthly allocated quantities are so huge that majority of FPSs are going to be still economically not viable unless their allocated quantities get a raise enabling them to earn a net monthly earning of about Rs20,000/- or so. Alone simply raising the number of ration cards to 1,000 or 1,200 or so is not likely to help in resolving the predicament of FPSs because with the introduction of new criterion of entitlement of beneficiaries for the quantities of SFAs of AAY category and Priority Household, there has been a vast gap of quantities to be distributed by each FPS. We suggest proper rationalization of ration cards for each FPS in true letter & spirit by the department on the ground level which would help in raising the monthly allocated quantities as that will only facilitate solution for this and for this some serious thought to review the ongoing methodology would be required. In fact the monthly earnings of a FPS depend upon the quantity of SFAs they handle and not on the basis of number of ration cards. Hence we are requesting for enhancement of allocated quantities for every FPS through rationalization exercise. We can associate in the exercise your good self has to order to the Department of F&S.

That on our demand & as per Judgement of the Hon'ble High Court of Delhi at New Delhi for rationalization of ration cards in the past, instructions were issued by the department recently on 5th May, 2014 but their implementation never takes place for the

reasons not comprehensible by us & best known to the Department of F & S.

4. RENEWAL OF AUTHORISATION OF FPS BE ABOLISHED

Sir, one of the major root causes of corruption of the present system in the department relates to renewal of the authorization or license of the FPS on every three yearly basis. The Zonal Officers/Assistant Commissioners always exploit this and is a universal phenomenon well known to all, less said is the best said. Sir we had submitted a detailed letter inter alia explaining the stage by stage how corrupt methods are in practice for getting renewal of authorization/license done on 25th August,2015. A copy of the same is enclosed herewith for ready reference as an **ANNEXURE-NO III**. We humbly request your good self to abolish the system of renewal altogether in case corruption is to be eliminated or controlled. This requires policy decision at your level.

5. VARNER CHARGES MENACE CONTINUES.

That seriously aggrieved with the problem of labourers of the transport contractors engaged by the Delhi State Civil Supplies Corporation Limited [DSCSC Ltd] demanding/charging varner charges called bakshish as a right at the time of giving deliveries of SFAs at the door steps of the FPSs of amount as high as Rs10/- per quintal, we could get instructions issued from DSCSC Ltd on 24th February,2015 to all the T.Cs of DSCSC Ltd to deter the labour engaged by them from such demands but pity is that this menace continues unabated taxing about Rs38,00,000/- approximately [RUPEES THIRTY EIGHT LAKS] unofficially the fraternity of FPSs for about 3.80 lakh M.T of SFAs handled each month. Why is this not

legalized by way of charges payable by the DSCSC Ltd to the T.Cs engaged by them and FPSs saved from this menace.

6. EXPLOITATION OF FPSs BY M.L.As OF AAP IN ENTIRE DELHI

That we are noticing from daily news reports that the local area M.L.As of AAP are indulging into unfair practices of exploiting the innocent FPSs through their henchmen at the behest of M.L.As every month. This has created great fear psychosis amongst the shopkeepers and we fear these kind of activities may not turn out to be violent & give birth to law and order problem. This can be controlled by you alone by stern warning.

7. NON SUPPLY OF SEALED SAMPLES OF SFAs.

That whereas all FPSs are expected to display prominently the “samples” of SFAs issued to them for the benefit of the consumers at large but “samples” are not at all supplied to us. Even at the time of implementation of N.F.S.Act,2013 the department had issued a leaflet as per which “samples” of sugar will also be supplied for display conspicuously by the FPSs but it has never been supplied by the DSCSC Ltd who supplies sugar from their own two depots of Siraspur and Gazipur.

8. RATIONALISE WORKING TIME PERIOD OF FPS INCLUDING LIFTING PERIOD FOR THE CONSUMERS

Sir, it is not understood our services are taken round the year on whole time servant basis from 09.00 a.m. until 07.00 p.m. i.e, more than ten hours a day. Only one weekly off is allowed. Moreover in the entire year only three national level holidays

are permitted for 26th January, 15th August and 2nd October. We are not permitted any other holiday even on Baisakhi, Holi, Rakhi, Id, Janamashtmi, Dussehra, Diwali and Christmas festivals. Even on our weekly off day, we are bound to take delivery of SFAs by opening our shops. Further irony is that we are not offered any kind of facilities like medical, O.T.A, Bonus, Leave, T.A /D.A, Mobile charges, Conveyance charges or health hazard allowance for operating in dusty environment in contrast to government employees enjoying all these.

We, therefore, feel time has come to now rationalize the working days/hours of each FPS by limiting to a maximum of 15 days in a month during which SFAs should be supplied & be lifted by the card holders. We can associate in the decision making process with the department in order to evolve mutually acceptable plan.

9. **SHORT SUPPLIES OF SFAs [NO REFUNDS BUT ONLY SHORT QUANTITY BE SUPPLIED]**.

Dear Sir, on many occasions the T.Cs engaged by the DSCSC Ltd supply the SFAs short of quantities as per eligible quantities lifted by them from the depots of the F.C.I. while delivering at the FPS level. This not only adversely affects our position for risks of suspension or F.I.R. in the event of surprise checking but also puts the consumers deprived of their entitlement altogether. On the other hand we are to pursue for refunds from the DSCSC Ltd and waste lot of energy &

time. Sir we suggest only short supply be made good instead of refunds.

10. **LATE SUPPLY OF SFAs AT ODD HOURS [NEED TO SUPPLY COMPUERISED WEIGHMENT SLIP OF FCI THROUGH T.C. OF DSCSC LTD]**

Sir, especially in East Delhi and North East Delhi the delivery of SFAs is done by the T.Cs of DSCSC Ltd at late night hours making the shopkeepers struggle at odd hours by risking their life. They bring SFAs from Narela depot of F.C.I. We have been requesting time & again that the computerized lorry weighment slips of the F.C.I. should be supplied to us to enable correlate with timing of last delivery taken by the T.Cs from the depots of F.C.I vis-à-vis time of supply being effected at the FPS level. This menace can also be resolved if DSCSC Ltd organizes its own storage capacity, which at present they don't have except for sugar.

11. **AADHAR CARD WHY MANDATORY FOR ISSUE OF RATION CARD.**

That it is not understood why the department of F&S continues to insist for AADHAR CARDS for issue of ration cards. That we are not expected to intervene in this process adopted by the department but we are aware that this is against the prohibitive judgements of the Hon'ble Supreme Court of India. This is adversely affecting us indirectly.

12. NO FACILITY OF SUBSIDISED SFAs TO FPSs [RAILWAYS EMPLOYEES INCLUDING DEPENDENTS EVEN AFTER RETIREMENT ARE ALLOWED FREE TRAVEL FACILITY].

Sir, we know we cannot have a legal right for SFAs to be issued to us at the issue rates but we feel it should be considered on par with similar concessions extended by many a government organizations such as Indian Railways or D.T.C.

13. STORAGE CAPCITY CONSTRAINTS AT FPS LEVEL IN SITUATIONS OF OVERLAPPING MONTHLY ALLOCATIONS SUPPLIES OF CURRENT MONTH.

Sir, over the last one year the policy of depositing the cost of SFAs by the FPSs vis-à-vis DSCSC Ltd deposing with the F.C.I has been revised. This has limited the delivery period to less than 20 days in a month by the DSCSC Ltd. Ten[10] days time is lost in processing purposes. As a result occasions are faced when it becomes difficult to accept fresh stocks of SFAs at the FPSs level due to storage capacity constraints.

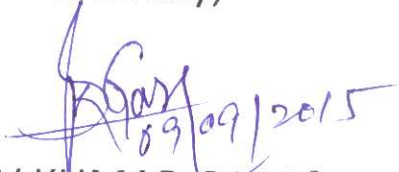

14. OTHER SUBSIDISED ARTICLES LIKE PULSES,ONIONS ETC BE SOLD THROUGH THE NETWORK OF FPSs.

That in order to enhance the monthly earnings of a FPS we should be not only supplied but also permitted to sell other subsidized articles such as pulses, onions etc.

We earnestly request your honour to spare your valuable time to redress the grievances of the entire fraternity of FPSs of Delhi so that we could get an honest deal.

We pray accordingly.

Yours faithfully,

विषय - 10 जुलाई 2015 को नवभारत टाइम्स दिल्ली
द्वारा मांगे गए सुझाव "दिल्ली को लाइसेंस राज से मुक्त
करना है" के संदर्भ में राशन की उचित दर दुकान के
लाइसेंस रिन्यूवल की समाप्ति हेतु सुझाव-
महोदय,

उपरोक्त सम्बंधित विषय को समय अनुसार
भ्रष्टाचार को समाप्त करने के लिए आपका यह एक
प्रशंसनीय कदम है जिसका हमारी संस्था जनहित में
आपके द्वारा मांगे गए सुझावों पर सर्व प्रथम "आपकी
सरकार-दिल्ली सरकार" को धन्यवाद देती है, दिल्ली में
उचित दर दुकानदारों के लाइसेंस नवीनीकरण को समाप्त
करने के उन कारणों का उल्लेख करने का प्रयास सरकार
की मंशा पर प्रस्तुत कर रहा हूँ :-

विशेष सूचना अधिकारी : राहुल अग्रवाल - 9871420213

यह कि दिल्ली सरकार के खाद्य एवं संभरण विभाग द्वारा विगत सन् 2006 से आधी अधूरी नियमावली पर प्रत्येक तीसरे वर्ष उचित दर दुकानों का लाइसेंस नवनीकरण किया जा रहा है जिसका विवरण उचित दर दुकानदारों ने एक ही स्वर में अपनी व्यथा को इस प्रकार वर्णित किया है जो इस प्रकार है : -

1. यह कि लाइसेंस के रिन्यूवल की तारीख से एक माह पूर्व हमें अपने जोनल ऑफिस / सहायक आयुक्त कार्यालय में जाकर रिन्यूवल के लिए 500 रुपये की फीस कटवानी होती है जिसके लिए 100-200 रुपये तक की नाजायज अदायगी कर बलि का बकरा बनना पड़ता है जोकि भ्रष्टाचार का पहला पड़ाव है इसलिए इस प्रकार की रिन्यूवल फीस का कोई महत्त्व नहीं है
2. यह की रिन्यूवल फीस कटवाने के बाद इसके लिए कार्यालय से हमें कोई भी परफोर्मा(PERFORMA) नहीं दिया जाता और हमें आयुक्त कार्यालय के बाहर बैठे वेंडरो के चक्कर में पड़कर मात्र 80 रुपये के कागजात की फाइल 400-500 रुपये में खरीद कर उनकी जेब भरनी पड़ती है यह भी हमपर अतार्किक बोझ है और इस प्रकार की प्रताडना की द्रष्टि से यह नवीनीकरण प्रक्रिया निरस्त होने योग्य है.
3. यह की इस रिन्यूवल की फाइल को मंडल कार्यालय में जमा करने के लिए ड्यरी करने हेतु सम्बंधित लिपिक को 200-500 रुपये की सेवा भेंट देनी पड़ती है इस प्रकार ही प्रत्येक सर्कल की प्रक्रिया शुरू होती है! इस कारण ऐसे रिन्यूवल का कोई महत्त्व नहीं होता, जिसकी नीव ही भ्रष्टाचार पर रखी जाती है.
4. यह कि दुकान के साइज, कोटा , मकान मालिक के बयान/NOC आदि दस्तावेज जमा करने के बाद FPS HOLDER द्वारा निरीक्षक (INSPECTOR) को इसकी भौतिक जाँच करने के नाम पर 5000-10000 रुपये देने पड़ते हैं तब कही जाकर फाइल खाद्य एवं संभरण अधिकारी (F.S.O.) के पास पहुँचती है. विडम्बना यह है कि

दुकान की समय-समय पर होने वाली भौतिक जाँच में उपरोक्त बातों को नहीं देखा जाता इससे स्पष्ट जाहिर होता है कि यह एक मिथ्या प्रक्रिया है अतः इसे शीघ्र अति शीघ्र समाप्त कर देना चाहिए क्योंकि यह लेन-देन दुकानदार और निरीक्षक के बीच में भ्रष्टाचार के सेतु का कार्य करता है इसलिए यह रिन्यूवल समाप्त होने योग्य है.

3. यह कि इसके पश्चात खाद्य एवं संभरण अधिकारी (F.S.O.) लाइसेंसी के हस्ताक्षरों को सत्यापित करने हेतु एवं उपरोक्त जमा दस्तावेजों व सूचनाओं को उचित ठहराने हेतु अपनी फ़ीस 5000 से 10000 रुपये वसूलता है यदि राशन दुकान ठेके पर चल रही होती है तो यह राशि 10000 से 15000 हो जाती है जिससे इस विभाग के भ्रष्ट अधिकारियों और ऐसे दुकानदारों के बीच सुविधापूर्वक कालाबाजारी का खेल चलता है अतः इस प्रक्रिया का समाप्त होना आवश्यक है अन्यथा जो दुकानदार मालिक की हैसियत से अपनी दुकान खुद चला रहे हैं उन्हें भी संदेह की दृष्टि से देखा जाता है और उन्हें भी इस प्रक्रिया से कई बार गुजरना पड़ता है.

4. यह कि इसके पश्चात यह फाइल खाद्य एवं संभरण अधिकारी से सहायक आयुक्त के कार्यालय में पहुँचती है और इसके पश्चात विभाग की ओर से इससे सम्बंधित कोई भी लिखित सूचना राशन दुकानदार को नहीं भेजी जाती है जिस कारण दुकानदार सहायक आयुक्त कार्यालय के चक्कर काटता है और सम्बंधित कार्यालय के कर्मचारी इसके एवज में 2000 से 4000 रुपये तक वसूल कर जबानी तारीख तय कर देते हैं और जब उचित दर दुकानदार पुनः नियत तिथि व नियत समय पर सहायक आयुक्त कार्यालय में जाते हैं तो चपरासी को फाइल निकलने हेतु 500 रुपये देने पड़ते हैं जब जाकर फाइल सहायक आयुक्त के पास पहुँचती है.

यह कि जब सहायक आयुक्त के पास फाइल पहुँचती है तब सहायक आयुक्त को सम्बंधित फाइल को पेश करने वाला कर्मचारी यह बता देता है कि अमुक दुकान ठेके की है या फिर यह दुकान स्वयं लाइसेंसी चला रहा है, इस दूकान का कोटा कितना है, इसके पास कितने राशन कार्ड दर्ज हैं, गरीबी रेखा के कितने कार्ड हैं, इसकी कितनी शिकायतें आती हैं और इसी मापदंड पर लेन-देन की प्रक्रिया 10,000-20,000 से 40,000 तक तय की जाती है इसलिए इस प्रकार की नवीनीकरण की प्रक्रिया को भ्रष्टाचार से छुटकारा पाने हेतु बंद करना अति आवश्यक है यही एक मुख्य कारण है जो राशन दुकानदारों को भ्रष्टाचार/कालाबाजारी की खाई में धकेलता है, इसीलिए जिन दुकानदारों से अभी तक लेन देन तय नहीं हुआ है उन सभी की फाइल राशन दफ्तरों में पड़ी धुल फांक रही है अतः आपसे विनम्र निवेदन है कि ऐसी अतार्किक और भ्रष्टाचार को फैलाने वाली नवीनीकरण प्रक्रिया को तुरंत प्रभाव से समाप्त कर देना अति आवश्यक है.

गौरतलब हो कि दिल्ली में पूर्व सरकार के समय केरोसिन आयल डिपो (KOD) भी चलती थी जिसके लाइसेंस नवीनीकरण किये जाते थे परन्तु FPS's के लाइसेंस नवीनीकरण हेतु कोई प्रावधान नहीं था और ना ही DELHI SPECIFIED FOOD ARTICLES (REGULATION OF DISTRIBUTION) ORDER-1981 में FPS नवीनीकरण के बारे में कोई उल्लेख है यद्यपि FPS के AUTHORIZATION सन 2006 में कुछ विषम परिस्थितियाँ तथा भ्रष्ट अधिकारियों ने अपनी जेब गरम करने हेतु बिना सरकार की स्वीकृति (PERMISSION) के विभाग ने स्वयं पालिसी बनाकर हमें मौखिक आदेश देकर यह प्रक्रिया शुरू कर दी ! जिसका उद्देश्य केवल और केवल राशन दुकानदारों को प्रताड़ित कर उनसे अवैध उगाही/वसूली करना है जिसका पालन अक्षरतः दिल्ली के उचित दर दुकानदार करते आ रहे हैं.

चूंकि जबसे दिल्ली में CONTROL ORDER-1981 लागू हुआ है उसके बाद से वर्ष 2005 तक किसी भी राशन दुकानदार को लाइसेंस रिन्यू करने की आवश्यकता नहीं थी परन्तु वर्ष 2006 में श्री के. एस. मेहरा(आयुक्त खाद्य एवं संभरण विभाग) द्वारा नई पालिसी बनाकर यह भ्रष्टाचार का खेल शुरू किया गया!

आशा ही नहीं हमें पूर्ण विश्वास है कि "आपकी सरकार-दिल्ली सरकार" द्वारा माँगे गए सुझावों पर गहन विचार कर तथा उपरोक्त वर्णित तथ्यों को ध्यान में रखकर इस मौजूदा नवीनीकरण प्रक्रिया को समाप्त करने का आदेश पारित करेगी! यदि किसी कारण सरकार इस प्रक्रिया को समाप्त करने में असफल होती है तो दिल्ली सरकार की भ्रष्टाचार उन्मूलन नीति निराधार साबित होगी!

सधन्यवाद
