RESPECTED SIR,

At the outset the DSRDS[Regd.], Delhi whole heartily welcomes you as the new C[F&S] New Delhi and were greatly impressed with your positive attitude. This is with reference to our first meeting with you yesterday wherein we had inter alia requested your good self our firm demand for immediate cancellation of the orders issued on 25th instant regarding temporary suspension of the E-POS system of sales of SFAs in Delhi. This we have several reasons to reject the decision

Sir, we had brought it to your kind notice about the various advantages of the continuation of the E-POS in Delhi which our members from all over Delhi had started from January,2018 and it was going on very successfully with the exception of a few initial teething problems and the same were also being solved by the Department.

Sir, this system of E-POS sales had a great salutary effect in controlling the corrupt practices that were adopted by certain unscrupulous anti-social elements amongst the FPSs but we [DSRDS] at large did not approve of their activities and condemned.

Sir, this system had helped in introduction of complete transparency in the larger interests of all the stakeholders viz, public, DSRDS, consumers, Department, government, banks and above all the noble public distribution system an ideal scheme of the GOI. This had also made FPSs entitled to the increased level of margin money of Rs2/- per kg for which the DSRDS had been struggling since long and were happy and were, however not at all willing to support the E-POS out of fear of the new system's failure will jeopardise the whole system. But in the meeting with the Food Minister Shri IMRAN HUSSAIN on 11th, January,2018 ,who assured

DSRDS that In public interest this system will help one and all and will be operable on all the 7days/24 hours

irrespective of holidays with increased margin money of Rs2/- per kg. from Re 0.70 per kg through E-POS sales. But our experience over three-four months has been quite satisfactory, hence we support this E-POS sales system. Even the added advantages of portability through the E-POS was of great privilege to the ration card holders fraternity. In the light of aforementioned facts we from all the members of the Delhi Sarkari Ration Dealers Sangh [DSRDS], Registered again request your good self to take it up with the concerned authorities including Hon'ble Lieutenant Governor of Delhi for immediate restoration of the E-POS sales system as otherwise in manual sales system where in we will get margin money of Re0.70 per kg the economic viability of the FPSs will make all of us continue to suffer endangering the PDS, who are not at all willing to make payment towards monthly allocations for the month of June, 2018 onwards but on the request of DSRDS have shown unity for the present. We look forward to your kind indulgence in larger public interest.

Yours faithfully,

[SHIV KUMAR GARG]
